Warm Reminder [Read Me!]
We prefer artwork in vector form, in PDF, AI or PSD files.
All artwork should be 600 dpi submitted in CMYK. However, 300dpi artwork can be accepted as well.
Please be sure all type in vector artwork is converted to paths/outlines.
Please be sure that all files linked from your art files are either embedded, or included separately.
If you choose PMS printing, please make sure to include all PMS numbers in the file.
Please delete the guideline before submitting your design to print.
Please upload the artworks one by one saved in PDF, AI or PSD format
via Dropbox.com or WeTransfer.com and share the folders or links with us. Inside pages can all be in
one file. Thank You!!
